YELLOW	>6	4.5	2	5	5	2.5
BLACK	>6	5	5	5	5	3
L.MAGENTA	>6	5	5	5	5	4
L.CYAN	>6	5	5	5	5	3.5

Test Method

Testing fabric : Cotton 100% (Broadcloth)
 Printing condition:360 x 720 dpi, 6pass, uni direction, 100% output
 Coloring condition :Baking (160°C×60 sec.)

Light fastness : JIS L 0842 (20h exposure),
 Dry cleaning fastness : JIS L 0860(tetrachloroethylene)
 Wash fastness: JIS L 0844(A-4),
 Water fastness : JIS L 0846,
 Perspiration fastness : JIS L 0848 (Alkali)
 Rubbing fastness : JIS L 0849 type II

Notice: Please note that the above test was carried out under our condition and the result will change greatly depending on the customer's conditions (type of clothes, transfer papers, etc.).
